Jordan Smith
Acme Inc.

Lead Score 82 **Status** Active

AI Summary
Jordan is a high-intent lead from Acme Inc., a 500-person tech company. He is the Director of Marketing and has expressed strong interest in improving lead qualification processes and integrating a new solution within the next quarter. Key pain points include scalability and lack of automation.

A floating notification at the top right says "Lead assigned to Jane Doe" with an "Undo" button.

My Assigned Leads

LEAD SCORE: 85
Jordan Patel
Innovate Inc.
Discussed interest in the enterprise plan, key pain points are integration with legacy systems and scalability.
Assigned 2h ago [View Transcript >](#)

LEAD SCORE: 72
Samantha Chen
QuantumLeap
Expressed budget concerns but is highly interested in the analytics features. Follow-up scheduled for next week.
Assigned yesterday [View Transcript >](#)

LEAD SCORE: 45
Alex Rivera
DataWeave
Early-stage inquiry, requested a product demo and pricing information. Seems to be evaluating multiple vendors.
